Welcome to the Club

Who We Are

We are a dynamic and social international group of English speaking women residing in the Frankfurt Rhein-Main. We are short term expats, long term residents, homemakers and professionals. Many have families and many live here child free. We are educated women, well traveled and savvy. The club is a volunteer run, registered non-profit. We bring our many experiences together to continually evolve the club and meet the changing needs of our membership.

What We Do

We share with each other, and especially in our six 'neighborhoods', how to get settled here, to find local favorite things to do, places to go, schools, restaurants, doctors, shops, services and businesses, to make our time here as fulfilling as possible. We publish a digital newsletter, ZUSAMMEN, ten months per year. We maintain a lively private Facebook group. Our website benefits both members and those just stopping by.

How We Do It

We connect together through friendship, learning, support, giving back, and most importantly, fun! Our CARES (Crisis Assistance Resources Emergency Services) program is more important than ever. We support four charities to help women, children, health and animals. We live our motto: **"When women support each other, incredible things happen!"**

Club Demographics:

- Over 300 members, with 60 joined since June 2020
- 75% of members are in the key 35-60 age range
- 55% are US Citizens, 25% Germans, and the rest hail from 30+ countries around the world
- 35% have joined within the past 2 years
- 55% have been members for over 5 years

Activities and Fundraising

The pandemic has released our imagination and last spring we started holding creative personal fundraisers to support our four charities. We continued to maintain a full activity calendar, moving from lunches, meetups and day trips to exploring this beautiful region on hikes and bike rides. We went virtual with book clubs, coffee or cocktail chats, mom's groups, workshops and most recently with our very well received Wellness Week classes.

We've Been Around

We have been actively part of the local communities in and around Frankfurt, the Taunus, Wiesbaden and Darmstadt for the past 50 years. We are proud to be a member of the Federation of American Women's Clubs Overseas (FAWCO). 2021 is a year of celebrations, it's a great time to get to know us!

Collaboration Models

We want to help support our community here in Germany, and local businesses such as yours. Partner with us! Many opportunities to collaborate with the club are available through Sponsorship, In-Kind Donations and Advertising.

Sponsorship

We hold many social and fundraising events each year; monthly All-Club Coffees/All-Club After Darks, our annual New Member/Activity Fair, celebrating key American holidays, to name a few. Any are excellent opportunities to increase your brand awareness to our members, their spouses, and families.

2021 is a very special anniversary year for us with big and small celebrations throughout the year. We're especially excited about the sponsorship opportunities available at our 50th Anniversary party this autumn. 150+ attendees are expected, including both members and the general public. Talk with us to learn how you can get involved!

In-Kind Donation

Do you have products that might be the right fit for our membership? Or want to offer a gift certificate or two to promote your business in a different way? An In-kind donation is always welcome and can be used for an upcoming event or in a fundraising raffle. Of course we'll include your business card and are happy to give your business a social media shout-out for your generosity. The more you give, the more we'll shout!

We're always looking for interesting gift bag items, services, gift cards, auction items, even event space or refreshments is great. Let's get creative. If you'd like to receive a tax receipt for your in-kind donation, we've included a form for you to complete. Talk with us to see if what you have to offer is a good fit for the club and we'll go from there!

Advertising

We see our advertisers as special partners of the club.

- Want to have a stand at our activity fair or other event? Advertise on our website AND in the newsletter.
- Planning an event/open house you want members to know about? Advertise it in the newsletter (or change up your existing) with a 1/2 page or larger placement, and we'll make sure it's included on our Event Calendar as well.
- Have a idea or suggestion that would be mutually beneficial? We're partners; let's talk about it.

Wonderful things can be achieved with collaboration!
